ASSOCIATION ANALOGIES—SELECT

DIRECTIONS: In each exercise, decide how the first two words are related. The words will be associated in some way. Next, look at the third word and then write a word from the list at the right that will complete a similar relationship.

EXAMPLE

flour : bread :: fabric : _____

cloth
clothing
material

Flour is associated with breadmaking just as fabric is associated with the making of clothing. *Cloth* and *material* are synonyms for *fabric*. So the best answer is *clothing*.

J-6   knob : door :: key : _____

bolt
hinge
lock

J-7   pie : crust :: clam : _____

crab
shell
oyster

J-8   money : wallet :: liquid : _____

bottle
drink
fluid

J-9   September : autumn :: March : _____

fall
spring
winter

J-10   bank : money :: library : _____

books
buildings
cards

J-11   paw : foot :: fur : _____

animal
beast
hair

J-12   stake : tent :: anchor : _____

boat
dock
pole

"KIND OF" ANALOGIES—SELECT

DIRECTIONS: In each exercise, decide how the first two words are related. The first word represents a **"kind of "** the second. Next, look at the third word and then write a word from the list at the right that will complete a similar relationship.

EXAMPLE

tea : drink :: pork : _____

beef
meat
salad

Tea is a *kind of* drink. Which of the words on the right answers the question, **"Pork is a *kind of*** _____**?"** Pork is not a *kind of* beef and pork is not a *kind of* salad. Pork is a *kind of* meat, so the best answer is *meat*.
